

# LEATHER MOISTURIZER

For use on protected or topcoated leather only.

LeatherPlus® Leather Moisturizer has been formulated to revitalize protected or topcoated leather. Old, dry leather that has lost its touch (feel) due to the loss of natural oils or from the use of incompatible cleaning products, will be reconditioned, and the resilient, supple texture restored.

## DILUTIONS

Do not dilute. This product is ready to use.

## DIRECTIONS

**IMPORTANT:** For use on protected or topcoated leather only; may be used on suede, nubuck and any "absorbent type" leather with caution. See LeatherPlus Cleaning Guide for further instructions.

- 1) Shake gently before use.
- 2) Always test before use.
- 3) Treat small sections at a time (2 ft<sup>2</sup>). Lightly spray directly onto clean leather surface. Buff area with clean LeatherPlus Towel or white terry cloth towel.
- 4) For excessively dry leather, apply liberally or repeat process.

*\* For optimum protection, apply LeatherGuard® after moisturizing.*

## TECHNICAL DATA

Compatibility.....protected, topcoated  
 pH at use dilution ..... 7.00  
 Compound type ..... anionic  
 Water solubility..... miscible  
 DOT restrictions.....none  
 Freeze/thaw stable ..... slight  
 VOC compliant ..... yes  
 Shelf-life, years ..... 3

## AVAILABLE SIZES

quart

## ADVANTAGES AND USAGES

- ▶ Safe for use on protected or topcoated leather.
- ▶ Immediate results.
- ▶ Superior reconditioning properties.
- ▶ Reduces abrasion and wear.
- ▶ Contains UV protection to inhibit fading.
- ▶ Revitalizes dry, cracked leather that has lost its supple texture.

## CUSTOMER INFORMATION

Hypoallergenic when dry.  
 Does not leave soil-attracting residue.  
 Rejuvenates the resilient, supple texture of leather.  
 User safe. Nontoxic. Biodegradable
