

KLEENRITE CHEMICAL

Faster Cleaning • Better Performance • Safer Solutions®

Upholstery Solution provides exceptional cleaning results on all fabrics, especially bleeders and crushed velvets. It contains color brighteners and leaves a pleasant scent. Our non-chlorinated formula has a fast drying time, and is recyclable for added savings.

DILUTIONS

Do not dilute. This product is ready-to-use.

DIRECTIONS

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) Pour contents into solution tank of solvent compatible equipment.
- 4) Proceed to clean using overlapping strokes.
- 5) If desired, KleenGuard® solvent base protector may be applied immediately after cleaning.
